COMING TOGETHER

'Twas the night before the Christmas Parade,
and just down the road
the float was all fitted
with a Christmasy load.

An old English theme
was the goal for the night,
The lights & the garland
made a beautiful sight.

The kids were all home
snuggled tight in their beds.
While dreams of the parade
danced in their heads.

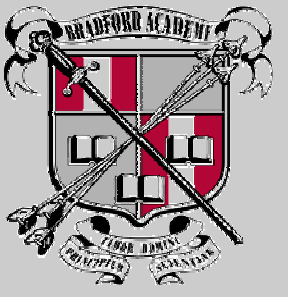

Tony and crew,
with a deadline to meet,
changed the old rusty trailer
to an old London street.

With quick nimble fingers
they worked till they froze,
And lost feeling in hands,
and their feet and their toes.

But a small price to pay
for the fun that's in store,
Riding the float
before hundreds and more!

Builders headed for home, work was all done.
Warmed by the fellowship, blessed by the fun.
I heard them exclaim as we drove out of sight
Merry Christmas to all and to all a good night.

A special thanks to our Christmas parade team!
We appreciate your efforts and look forward to
the parade tonight! Peace and grace.
