GRANDPARENTS VISIT

The students all sang some of the hymns they have been learning this year. This presentation included *Be Still My Soul*, *When I Survey the Wondrous Cross*, *Immortal Invisible*, and *On Christ the Solid Rock*.

We had a wonderful time last week hosting our grandparents and other special guests. The students were very excited to give their guests the grand tour of the classrooms and then present to them some of the songs and recitations they have been working on. Amy Fairchild and Stephanie White and their crew did an excellent job treating us all to a fantastic lunch in a wonderfully elegant setting. All of the grandparents expressed much delight and were very thankful. We trust that it was an event to remember!
