SOCCER DAY

We had another exciting afternoon at the Mebane Recreation Fields last week. Our annual House Soccer tournament was supplemented this year with the wonderful help of Mr. Jonathan Prentice. Mr. Prentice led a Skills Clinic with the kids who were not playing in the tournament games. The students learned a lot and played very well! It is wonderful to see how the level of play has increased over the years. I am very proud of all the students!

Nice footwork!

There was some fierce competition on the field, but Leiden managed to defend their title to soccer champs! Congratulations!

Fierce competition between Leiden and Scrooby
